#### PROFESSIONAL SURVEYING EXPERIENCE VERIFICATION

An employment verification is required for each engagement encompassing your professional surveying experience as listed on your application. Please complete Part I of this form, and forward to your current or former supervisor for completion/verification of Part II (see reverse). If a former supervisor is not available, please submit form to owner or other individual who has knowledge of your work in that engagement. If you are self-employed, please submit form to client(s) who are familiar with your business and can verify your experience. Completed verification forms must be received by the application deadline.
