TO ALL APPLIANTS WHO REQUIRE A LICENSE or EXAMINATION VERIFICATION

NCEES System Update

As of June 20th 2016, the old verification system is offline. The new MyNCEES system is where users will go to register for exams, download/purchase exam prep materials, apply for an NCEES Record, request license and exam verifications, track CPC, or have their credentials evaluated.

Login at https://account.ncees.org to access the new system. Click on "License verification" or "Exam verification" from the "Common Tasks" shown on the dashboard screen.

Please contact the undersigned if you need additional information or assistance.

Sincerely,

Dennis D. Jarrell
