PROFESSIONAL SURVEYING EXPERIENCE VERIFICATION

An employment verification is required for each engagement encompassing your professional surveying experience as listed on your application. Please complete Part I of this form, and forward to your current or former supervisor for completion/verification of Part II (see reverse). If a former supervisor is not available, please submit form to owner or other individual who has knowledge of your work in that engagement. If you are self-employed, please submit form to client(s) who are familiar with your business and can verify your experience. Completed verification forms must be received by the application deadline.

Part I: (To be completed by Applicant)

Applicant’s Name ____________________________

First                        Middle                        Last                        Generation

Address.........................................................................................................................

Phone Number.............................................................................................................

What is your business relationship to the applicant?
__________________________________________________________________________

Are you a licensed professional surveyor? __________ State __________ License Number __________

To the best of your knowledge, did the applicant correctly describe his/her experience?

☐ Yes  ☐ No  If no, please explain ________________________________________________________________

Please divide the applicant’s professional surveying experience by the time spent in responsible charge and technician level.

RESPONSIBLE CHARGE is defined as having direct control of surveying work under the direct supervision of a licensee or person authorized in another state or country to engage in the practice of land surveying in order to gather, prepare or analyze data, evidence or information that will aid and assist the licensed professional in resolving boundaries or managing data or information regarding work related to the practice of land surveying.

TECHNICIAN level is defined as work performed under the direction of a crew chief or licensed professional where the responsibility and knowledge requirements are minimal. Primarily this level involves work in a field crew, other than as crew chief, or in the office doing basic drafting or computations.
