COMPLAINT REVIEW COMMITTEE (CRC)

The CRC assists the Board in the review and investigation of complaints by summarizing complaint allegations and reviewing the surveyor's response; providing technical review and evaluation of the facts as they relate to the law, rules or regulations; and to make recommendations to the Board for further action. The CRC, which is chaired by Board Member R, Michael Shepp, P.S., consists of four other licensed professional surveyors who also function as contract investigators. The members represent different regions throughout the state and do not investigate complaints within their respective areas.
