Budget Discussion: WVBPS has been identifying issues affecting revenue and expenditure. Contributing factors were identified as rent (over twice the amount as the previous year), Shared Services, Attorney General Fees, Exam Review Workshops, CEU workshops. Ms. Williams has been in communication with the Real Estate Division of State of W.V. who may be able to decrease the office space currently being rented by WVBPS. The Board would like to settle any outstanding balances from previous years that are also contributing to an increase in expenditure.

Mr. Gary Facemyer made a motion, seconded by Mr. Doug McElwee, to approve the financial and expenditure reports, P-Card purchases, and the proposed budget. Motion carried.

WV State Specific Exam Discussion

The next State Specific Exam will be held October 23, 2024. The office can hold up to 5 candidates. If there are more than 5 candidates testing, the exam will be held at the State Capitol Complex. WVBPS has corrected errors on past exams. Each answer key will be double-checked, and all candidate answers will be quality-checked by WVBPS Board members only. Mr. Lantz Rankin and Heritage Technical Services staff, along with Ms. Williams were able to create four additional versions of the State Specific Exam which will bring the total number of Exams in the WVBPS Exam Bank to seven. Ms. Williams along with members of the Board of Accountancy Staff will begin the process of cleaning up the Question Item Bank and converting it to Microsoft Access in the coming weeks.

Matter of License Number

A formerly licensed PS who let his license lapse in 2004, recently reapplied to take the WVBPS State Specific Exam by Comity and passed on June 7, 2024 on his second attempt. PS is wanting to use the license number he was assigned previously. The Board voted that he must be assigned a new license number and practice under the new number.

Consideration of Technical Matters

Ms. Williams is currently in communication with Big Picture and Certemy. WVBPS Board Office has scheduled a virtual meeting with GL Solutions to see what services they are able to provide and secure a quote. The goal is still to replace InLumon as there continue to be errors. The Board is willing to offer more money (\$8000-\$8500) to secure a better contract with a more reliable company that will offer a better product.

NCEES Update

PLSS Exam - The PLSS (Public Lands) portion of the NCEES Exam will no longer be included as of June 30, 2024. The separate PLSS Exam will begin being offered as of July 1, 2027.

The next NCEES Annual Meeting will take place in New Orleans, Louisiana in 2025.

The courses are currently not accepted in W.V. but may be considered later. A rule change may be necessary. ARPL – Mr. Green will reach out to Joshua Twitty from NCEES to educate the Board on issues affecting legislation.

Two candidates have expressed concern regarding the application documents being received by Board Office. Ms. Williams acknowledges the issue and has informed candidates to submit transcripts directly to the office as there has been an issue receiving transcripts through Clearinghouse.
